Final Dividend for the financial year ended March 31, 2024	Shareholders at the Annual General Meeting held on July 26, 2024	3.15/-

General Remark:

The Board of Directors, at its meeting held on October 29, 2024, declared an interim dividend of Rs. 1.65 per equity share, with the record date fixed as November 12, 2024. In line with regulatory timelines, the majority of the dividend amount was transferred to a separate bank account on October 30, 2024. It was noted that a small portion of the dividend amounting to Rs. 7,425/- was not transferred within five days of declaration of dividend. This was observed to be a result of an unintentional delay due to an increase in share capital on the same day (October 29, 2024), arising from the exercise of stock options. The delay appears to be inadvertent and linked to operational timing around capital changes.

11. signing of audited financial statement as per the provisions of section 134 of the Act and report of directors is as per sub - sections (3), (4) and (5) thereof;
