

PDS to explore partnerships in Egypt and Latin America

PDS Ltd., which provides fashion solutions and has suppliers in multiple geographies, will explore possibilities for partnerships in Egypt and Latin America in the wake of the U.S. tariffs, said Sanjay Jain, its Group Chief Executive Officer. Almost 15% of the country's topline comes from the U.S. "There is anxiety among the customers. However, PDS brings flexibility to service customers from different locations," he said.
