'HCL-Foxconn Chip JV to Create Over 3,500 Jobs'

Our Bureau

KEY SECTORS

Chennai: The HCL-Foxconn joint venture combines HCL's deep-rooted engineering DNA and depth in technology with Foxconn's semiconductor capabilities, said Roshni Nadar Malhotra, chairperson of the HCL Group.

Nadar Malhotra's remark came on Thursday, a day after the consortium received the Union Cabinet's approval for a ₹3,706-crore outsourced semiconductor assembly and test (OSAT) facility in Uttar Pradesh (UP).

"This collaboration will support key sectors such as consumer electronics, automotive and industrial systems," she said in a statement. "The facility, with a capacity of 20,000 wafers per month, will help meet the growing demand for advanced technologies. It is expected to generate over 3,500 jobs. We are also focused on building semiconductor skills and enabling India's workforce in this field."

HCL Group and Hon Hai Technology Group (Foxconn) received Cabinet clearance to set up an OSAT facility in the Yamuna Expressway Industrial Development Authority (YEIDA) region near Jewar in Uttar Pradesh.

This marks the sixth semiconductor unit to be sanctioned under the 'India Semiconductor Mission' and the first such unit to be set up in UP.

Foxconn called it a "landmark decision" that represents a strong vote of confidence in Foxconn's long-term commitment to India's semiconductor and electronics manufacturing ecosystem.

ROSHNI NADAR MALHOTRA
Chairperson, HCL Group

"This OSAT venture reflects our strong belief in local partnerships, innovation and India's potential to emerge as a major hub for advanced semiconductor packaging and testing," Foxconn said.

"As we enter the execution phase, Foxconn remains focused on building local capabilities, nurturing talent and delivering world-class manufacturing outcomes in India."

This is Foxconn's second attempt at setting up a semiconductor unit in India.

IT Dept Searches Premises Linked to Gujarat Samachar

Our Bureau

Mumbai: The income tax (IT) department carried out searches on premises linked to Gujarat Samachar over allegations of alleged tax evasion, sources in the know told ET.

The Gujarat Samachar is a leading Gujarati-language daily newspaper headquartered in Ahmedabad with a branch in Surat. Along with the daily's office, premises of its publisher and its editor-in-chief were also searched. Searches were carried out in Mumbai and Gujarat.

Messages sent to Gujarat Samachar's Shreyansh Shah and Babubhai Shah remained unanswered until press time.

As per the company's filings, its directors are Babubhai Shah, Aman Shah, and Aarya Shah. The company is involved in printing of newspapers, magazines, periodicals, journals and other material for others on a fee or contract basis.

According to sources, the search operations were undertaken after the department found certain irregularities in the company's books. "The preliminary assessment has revealed unexplained entries in the books, inflated billings... they are being examined," said a source privy to the development.

Govt Revokes Security Nod for Turkish Ground Handler Celebi

New Delhi: India's aviation security regulator Bureau of Civil Aviation Security (BCAS) on Thursday revoked the security clearance of an Indian arm of Turkish airport ground handling major Celebi Aviation Holding in the interest of "national security" with immediate effect.

The move by the government comes after Ankara's open support for Islamabad in the India-Pakistan military flare up last week and the use of Turkish drones by Pakistan against India.

The Modi government had earlier renewed security clearance for the firm twice in the last 10 years, the latest in 2022. Ground handling includes services like passenger handling and check-in, baggage handling, cargo handling and management, aircraft servicing and maintenance. Civil aviation minister Ram Mohan Naidu said, "We are also deploying special teams to oversee operations and address any emerging issues in real time. We will continue to uphold national security while ensuring ease of travel and cargo movement across the country," he said.—Our Bureau

Govt may Discourage Weddings, Film Shoots in Türkiye, Azerbaijan

New Delhi: Victims of Indian tourists, hosting of destination weddings and shooting of Indian films are likely to significantly drop in Türkiye and Azerbaijan in the coming days as the government may discourage people from going to the two countries which had actively supported Pakistan in the recent conflict, official sources said.

Türkiye and Azerbaijan backed Pakistan and condemned India's recent strikes on terror camps in that country and Pakistan-occupied Kashmir (PoK) under Operation Sindoor. Pakistan also used Turkish drones on a large scale in the conflict.
