Resilient by Design, Recognised Worldwide, PDS Earns Platinum and Gold at LACP 2026

Mumbai, 20th Nov 2026: PDS Limited, the leading global fashion supply chain solutions company, has earned international recognition for excellence in corporate and sustainability reporting, winning two prestigious global honours at the 2026 Spotlight Awards - Global Communications Competition organised by the League of American Communications Professionals (LACP).

The Company's Sustainability Report, themed "Responsible by Design", received the Platinum Award, scoring an impressive 99 out of 100 and securing the 30th position globally. Its Annual Report, themed "Resilient by Design", received the Gold Award, with a score of 98 out of 100, earning a place among the Top 100 reports worldwide at rank 64.

The awards reflect PDS's commitment to transparent, high-quality reporting that brings its performance, priorities and sustainability journey into focus. Building on its previous global Top 100 recognition, this year's double win further strengthens PDS's standing on the global reporting stage.

Pallak Seth, Executive Vice Chairman quoted, "*Responsible by Design and Resilient by Design are more than report themes; they reflect the principles that guide our business. We believe that building trust through transparent reporting is as important as delivering sustainable business performance. This recognition is a testament to the collective efforts of our teams and partners across the globe.*"

"Strong businesses are built on transparency, accountability and the ability to communicate with clarity. Recognition for both our Annual and Sustainability Reports is encouraging and reflects the effort we have invested in strengthening how we report our performance, progress and priorities. We remain focused on building on this foundation and sustaining momentum in the years ahead.", said Sanjay Jain, Group CEO

The LACP Spotlight Awards is a globally renowned platform that recognises excellence in communication across industries. This year's competition received submissions from nearly 20 countries across four continents.
